

# Environmental Technology Verification [ETV] Air Pollution Control Technology Center and the OWHH Voluntary Program

- ✓ The ETV APCT Center will verify OWHH environmental performance
- ✓ ETV test protocol will incorporate Voluntary Program's test methods and procedures
- ✓ State and local comment on ETV protocol is ongoing and will ensure test results fulfill state and local data needs
- ✓ Draft protocol due to EPA ETV for review – 10/07
- ✓ Vendors will submit ETV testing results to participate in Voluntary Program
- ✓ APCT Center web site
